Peggy Knight has over 35 years' experience selling human and synthetic hair wigs. Peggy has had alopecia since the age of 14 and she has been one of the biggest advocates for alopecia for over 35 years!

During this time of Covid-19 Peggy has been conducting several private wig consultations for clients across the world, via Zoom and FaceTime. Peggy is very knowledgeable, experienced and passionate about helping people with their hair loss needs.

Click below to schedule a free private consultation via zoom or FaceTime and receive a 10% rebate on any wig you purchase.
